3 Saint Patrick's Day

*In the following text, **five** word groups are missing. Below the text you can find **eight** possible phrases to fill into the gaps. Write down the correct numbers in the spaces provided.*

Saint Patrick's Day is a cultural and religious holiday celebrated not only in Ireland, but also in other countries like Great Britain, Canada or the USA, on 17 March. They normally have festivals and parades. Christians also go to church services.

But who was Saint Patrick? He was born in Britain in the fourth century (). When the Romans conquered Britain, they did not come over to Ireland but the Irish sometimes came over the sea to Britain (). One day, at the age of 16, Patrick was kidnapped and taken to Ireland. There he had to look after sheep in the lonely hills of Ireland and it was a hard time for him. Sometime later he managed to go back to Britain and from there he travelled to France and became a priest. One night, (), Patrick had a strange dream - voices told him to go back to Ireland and bring Christianity to the Irish. So he went back in the winter of the year 432. From that time on, Ireland changed (). Patrick taught Christianity () and he travelled through the whole of Ireland teaching. Patrick had brought his education with him and people learnt to read and write. He died on 17 March. Soon the Irish turned him into an unforgettable hero. Towns, bridges and churches were called after him – and even today his spirit has not died.

- 1 as the son of a Roman soldier
- 2 when he was asleep
- 3 who he could help a lot
- 4 and was never the same again
